BULATS Users

Many of the world's leading employers and educational institutions rely on Cambridge ESOL's Business Language Testing Service (BULATS) to assess the language proficiency of their staff and students. BULATS is used to assist in making key decisions about recruitment, training, promotion and placement of staff. BULATS is a useful tool for benchmarking language standards across an organisation and evaluating language training programmes.

BULATS - Business Language Testing Service

BULATS is a multilingual tool for companies and organisations that need a rapid, reliable and cost effective way of assessing the language skills of employees, trainees and job applicants.

BULATS tests communication skills that are needed in real business situations. It enables you to test all four skills – listening, speaking, reading and writing – in four languages. BULATS is available in English, French, German and Spanish.

BULATS is developed and delivered by Cambridge ESOL in collaboration with leading experts in the assessment of French, German and Spanish:

- Alliance Française (French)
- Goethe-Institut (German)
- Universidad de Salamanca (Spanish)

For more information go to:

About Cambridge ESOL

Cambridge ESOL (English for Speakers of Other Languages) is part of the Cambridge Assessment group, which is a department of the University of Cambridge.

Cambridge ESOL is one of the world's leading producers of certificated exams for learners of English. Each year they are taken by around 2 million people in 135 countries.

Cambridge ESOL certificates are recognised by thousands of employers, universities and government organisations around the world. The exams are produced with an uncompromising commitment to assessment of the highest quality combined with a high level of support for learners and teachers.
